Ubongo Kids
24 minutes per episode

Season 1 English: math
Join the musical math adventures of the "Ubongo Kids," Kibena, Kiduchu, Koba and Baraka, who use their brains to solve problems big and small in Kokotoa Village. With the help of their animal friends Mama Ndege (a talking bird), Tiny Tembo (a frugal elephant) and Uncle T (a rapping giraffe), a little music, and a lot brainpower, no challenge is too big for the Ubongo Kids to overcome.
